New Artists Compete For A Chance To Shine On Stage with Gospel Rap Artist T-Bone and Others at Faith Fighter Live 2006!

Gospellinks.com & WePraise.fm Sponsor The Upcoming Bible Study & Holy Hip Hop Concert

(Torrance, CA – August 2, 2006) Living Logos Enterprises and The Zera Foundation present Faith Fighter Live 2006 – a Bible Study and Holy Hip Hop Concert at El Camino College in Torrance California. The event takes place on August 25, 2006, and features Grammy nominated Holy Hip Hop Artist T-Bone, and a Bible Study led by Big City of Mind Right Productions. Other confirmed artists include: DJ Gabriel, Christside Souljahz and 5-time Grammy nominated gospel rapper Scoob Serious.

Faith Fighter™ Live is a collective effort between Holy Hip-Hop performers, business owners and ministries to serve as a vehicle to reach today's youth with The Gospel. The cooperative focus is spiritual development and life enrichment for young adults, and is accomplished through Bible Studies, Concerts, and Special Events.

Faith Fighter organizer Willie Hudson, affectionately known as "Pops", believes that "*God is truly raising up a new generation of leaders... It is up to us to stretch them, inspire them and successfully reach this generation for Christ!*" He is passionately committed to bridging the gap between Hip Hop Culture and Christianity through bible studies and other live events.

This year, Faith Fighter Live will give one new Holy Hip Hop artist the chance to share the stage with fellow Faith Fighters T-Bone, Big City and others. Sponsored by Gospellinks.com and WePraise.fm, the contest also offers prizes valued at over \$200.

General admission tickets will be available for \$20 beginning August 1st, and a limited number of VIP Tickets will be sold at \$30 each. VIP ticket holders will also receive private round table bible study and a free gift bag valued at \$65.

Living Logos Enterprises is actively seeking student volunteers and sponsors for this life changing youth event. Learn more at www.FaithFighterLive.com

About Zera Foundation and Living Logos Enterprises

Zera Foundation is a non-profit organization formed to help rebuild the dreams and ambitions of children in the Foster/Group Home Care System by promoting quality services and enrichment programs that help form more productive adults. The ministry team at Zera also believes the Hip Hop culture is searching for God more than ever through worship services that are relevant to their lives and leaders who speak God's Word in their language! Zera Foundation continues to partner itself with organizations and ministries that will promote, facilitate and/or co-operate with the vision of bridging the gap between Hip Hop and worship. www.zerafoundation.org

Living Logos Enterprises was established to reach today's youth and young adult with the Gospel of Jesus Christ, utilizing multimedia tools and outlets.
